

Carousel's Microsoft Surface Hub as a Service Offering

Enjoy a bundled collaboration solution for a fee as low as \$362/month.

Adding innovative collaboration technology solutions to your business has never been easier. Carousel has teamed with Microsoft to offer Surface Hub as a Service so business leaders can choose the right Surface Hub package for their needs and bundle it with productivity software and expert support, all for a single low monthly payment.

ADVANTAGES OF SURFACE HUB AS A SERVICE

- Transform your workplace into a center for collaboration and innovation
- Make meetings more engaging and productive
- Quickly scale technology to match business demands
- Shift CapEx spend to OpEx to allow for faster and easier technology upgrades and enhancements
- Budget-friendly monthly payments that free up cash flow for other investments

WHAT'S INCLUDED

Starting at just \$362/month, Microsoft Surface Hub allows business leaders to bring a complete experience to their workplace. Included in this offer is:

Equipment

- 55" HD and 84" HD 4K display options
- Integrated cameras and speakers
- Interactive whiteboard and content sharing
- Runs any Windows 10 Universal app natively

Services

- Onsite implementation with certified installers
- Remote training to deliver confidence to end-users
- Skype for Business integration services for seamless scheduling and registration
- 3-year warranty providing quick access to support and upgrades

THE CAROUSEL SURFACE HUB AS A SERVICE OFFERING

Carousel clients can enjoy all the benefits of state-of-the-art hardware and support with Microsoft Surface Hub as a Service. Unlock the power of Surface Hub and gain an engaging, productive environment, a platform for rich large-screen apps and unleash unprecedented ways to create and brainstorm.
