

# Carousel's Cisco Webex Room Bundle as a Service

Today's modern workforce requires simple, easy, seamless collaboration tools like video and web conferencing. And with the variety of options on the market, it can be difficult to coordinate a system that works well, is easy for employees to use, and includes all the materials you need to get your collaboration system up-and-running—fast.

Implementing a Cisco Webex set-up has never been easier. Equipped with everything you'll need—a display, video and presentation system with touch control, and integration and support services—Carousel's Cisco Webex Room Bundle as a Service is available in three different size packages to fit your collaboration needs.

## WHAT'S INCLUDED

Starting at just \$294/month, business leaders can bring a complete Cisco Webex experience to their workspaces with the benefit of Carousel Professional and Lifecycle Management Services. Options include:

- Cisco Webex Room Kit video systems
- 55", 65", and 75" display options to fit all room sizes
- Distributed audio system and extension mics for larger rooms
- Implementation and training to deliver confidence to end users
